

Initial Assessment in and Emergency Situation

1

Your Person – What items and resources are readily available to you? How will you maintain proper body temperature? Do you have drinkable water or way to purify and carry water?

2

Your Safety – What immediate or potential threats are there and how will you defend yourself and your Tribe members if they are with you?

3

Your Supplies and Resources – How will you carry your supplies or resources? Do you have supplies stored where you can access them with minimal effort?

4

Your Surroundings and Transportation – Where are you? What is your best plan? Should you stay put or travel to a known location? What are your options of transportation?

5

Your Tribe – Can you contact others in your Tribe to evaluate their situation and develop a plan for all? If not, rely on and execute your emergency communication plan as soon as you are personally safe.

6

Your Community – Is this an isolated event? Is there help nearby? How will I gather information?

7

Your Region – How widespread is the emergency situation?
